Launching **SUMMER 2018** in Finland! **SMART CAMPUS INNOVATION LAB**

4-WEEK PROGRAM for students from all around the world!

WHY SCIL?

- **Complete a real case for a real client**
– Learn by doing, no lectures!
Work on a team to solve a development or innovation problem for a local client.
- **Develop new skills and create new solutions!**
Increase your knowledge of smart innovation, technology, and sustainability
- **Improve English language skills!**
Take an English-language, intercultural communication course.
- **Expand your network – around the world!**
Learn how to succeed in an international business environment and be a part of a network of innovative developers.
- **Experience summer in Finland!**
Enjoy activities that will introduce you to the very best of Finnish summer!

CREDITS EARNED

- Up to **5 ECTS**
- Certificate of Participation awarded
